

# THE "HOOK-UM" ADJUSTABLE TRAILER DOOR LOCK

**MODEL ADJ 110**  
(without padlock)

# SPECIAL FEATURES OF THE HOOK-UM ADJUSTABLE TRAILER

- **VERSATILE.** Has an adjustable range to secure most trailers with swing type doors.
- **PADLOCK PROTECTION.** Padlock can only be inserted from the backside of the hardware. Padlock is protected from bolt-cutters and other attack type tools.
- **WEATHER PROTECTION.** Padlock hangs vertically insuring proper drainage.
- **SPRING PROOF.** The steel stamping that passes under the trailer locking bars is of sufficient length making it impossible to spring over the bars at any location.
- **SIMPLE.** Only one moving part exclusive of the padlock. Service Free.
